ANNUAL REPORT OF THE SECRETARY OF THE TRAMP AND TRAIL CLUB OF UTICA

January 1922

"The First Annual Meeting of the Tramp and Trail Club will be held at the Public Library, January 20th, 1922 at 8 P.M. The work of the past year will be reviewed, officers elected, and plans made for 1922. The attendance of every member is desired. Please be prepared to make suggestions for the bettering of the Club. Bring photographs taken on hikes in 1921 for exhibition."

"Starting from a modest but enthusiastic beginning last April, the Tramp and Trail Club has gone through its first somewhat abbreviated year with great vigor. At present its enthusiasm is more conspicuous than ever though its modesty has visibly waned. Those who have weathered the tests set by ambitious leaders are now daunted by nothing - not heat nor cold nor dark nor wet. Mr. Meade C. Dobson, to whose inspiration the formation of the club was due, has moved from Utica and left us to our own devices, but the lusty infant now seems capable of surviving by its own energy, much as it misses the advice and support of its most experienced member. It appears that the Tramp and Trail Club is really filling a place in bringing together those who have a common interest in outdoor life, and that it can look forward with satisfaction to a continued prosperous career.
